## The Trade, Topography and Material Culture of Egypt's North-West Delta: 8th century BCE to 8th century

The Oxford Centre for Maritime Archaeology (OCMA) will be hosting an international archaeology conference on July 28th-30th 2006 in Berlin at the exhibition hall Martin-Gropius-Bau, Niederkirchnerstraße 7, 10963 Berlin.

■ This year's conference in Berlin marks the beginning of the international exhibition "Egypt's Sunken Treasures" which is held at the same venue, presenting artefacts from the 8th century BCE-8th century CE that have been found during archaeological underwater expeditions in the Mediterranean Sea off the coast of Egypt. Conference attendees are invited for an exhibition tour during their stay in Berlin.
