Golenishev Egyptological Center

5. **Publishing** the annual revue « Civilizations of the Nile Valley » with the contributions of the egyptologists from different countries.

6. **Creation** the audio- and visual programs to prepare descriptive materials in ancient Egyptian art, writing scripts for documentary and educational films on Ancient Egypt.

7. **Development** of beneficial cooperation with the well-known museums of different countries (having Egyptian collections) with the aim of organization of the joint publication projects.

■ **The educational work** of the Center will be connected with realization of proposed 5-years program of specialization.

For perfecting the educational program the contacts with the famous European educational centers are welcomed with the aim of training students and professors' interchange.
